

CELEBRATION OF EDUCATION INFORMATION AND SPONSORSHIP FORM

Green Schools Foundation is proud to host the annual Celebration of Education! We invite you to be a part of this event and contribute to the success of our students, teachers and community. The mission of the Green Schools Foundation is to engage with the community, schools and families to provide resources that enrich the educational experience. We encourage you to help us accomplish our goal by participating in this exciting event. The proceeds will help support teacher grants and scholarships to graduating seniors and the Academy of Scholars program for our middle and high school students.

Several different levels of participation are available and one is certain to suit your needs. We anticipate a large turnout by the community, providing you with a perfect opportunity to promote your business and/or organization. Your contribution will assure we continue to support our students and teachers in the future.

We have also made changes to the event itself this year. Instead of having food vendors in the commons area, we will be serving a pancake breakfast from 8:00-11:00 a.m. Most of our sponsorship level packages offer a voucher for you to enjoy breakfast on us prior to the start of the event. In addition, please note that we will end the event at 2:00, rather than 3:00 as we have done in previous years.
